

BIG CREEK

MISSIONS

GOING. GIVING. GROWING.

Serving Leslie & Clay County Kentucky

Big Creek Missions exists to mobilize volunteer groups to help meet the growing needs in our area. Our area is rich with wonderful people and rich heritage, but hurting partly because of the collapse of the coal mining industry, drug use, health issues, and a shrinking economy. The needs are greater than ever. In fact, our area has been listed as one of the hardest places to live in the United States. We are thrilled to partner with groups of all types - schools, churches, colleges, families, and more.

We truly appreciate your support as we serve here in Kentucky!

Year Round Service

We offer mission trips & serve our community

We welcome groups of all sizes, all ages, all skill levels, at all times! Please pass word to Christian Schools, Church groups (of all ages), College groups, Homeschool groups, and family groups!

The Well Coffee & Cafe

You'll be amazed when you visit our coffee shop and cafe. The quality will rival any coffee shop anywhere! The best part about it is that all profits go towards creating jobs and funding the food pantry next door! We also welcome volunteers at our coffee shop to help add to our positive experience. Thanks for your support!

The Pantry

The food pantry is supported in part by the proceeds from the coffee shop, Big Creek donors, and other local donors and businesses. Currently we serve about 800 families per month! We need your volunteer time AND donations to keep the pantry growing and giving to those in need. Thank you for your help!

Year Round WorkGroups

One of our main areas of service is our workgroups. We host thousands of volunteers yearly at our two mission centers in Leslie and Floyd County. We invite you, your family, or church to serve with us. We can host groups throughout the year at both locations. You can help with home repairs, community programs, and more!

How our teams serve

Our teams are engaged in the community!

Our volunteer teams are the ones who make the biggest difference at the mission! Our teams are engaged in three areas of service in our community:

Construction

Our construction ministries seek to serve those who are unable to provide repairs on their own home due to financial or physical reasons. Placing a priority on the homes of widows and orphans, we see some serious needs and do our best to make homes safe and dry. We need skilled crew leaders and helpers. We hope you'll consider bringing your talents to serve with us! Ages 12+

Children

We love children! Although our main children's ministry events occur during the summer, we also partner with teachers and local schools to serve through the year. We may serve in PE classes, the library, read to children, or grade papers for teachers. Whatever the task, we simply want to love our kids! (Background checks required for adults).

Community

We care for people! Our community teams find multiple projects that change daily! This ministry offers the most variety. You may distribute clothing or food. You may serve in our cafe. You may paint, visit the elderly in a nursing home, or mow the yard of a shut-in. Regardless, you'll meet the practical needs of our residents in Kentucky!

To Give

We would be humbled if you considered Big Creek worthy of your financial support. You may give online at www.bigcreekmissions.com/giving or by contacting us at info@bigcreekmissions.com.

Donations may also be mailed to:

Big Creek Missions

PO BOX 211

Bear Branch KY 41714

Summer Staff

If you have any recommendations for summer staff, please send them our way! We are always looking for passionate, hard-working, and talented servants who would like to assist us as we minister in our communities this summer. The positions are paid, in addition to provided food and lodging. For more information, or to apply, see www.bigcreekmissions.com/staff

Our Wish List

You can find a comprehensive wish list at www.bigcreekmissions.com/wishlist

*Skilled construction leaders - so we can provide quality repairs on homes

*Educators: so we can provide tutoring and be an asset to local teachers

*Maintenance: we can always use folks to help us maintain our facilities

(HVAC, Electrical, Plumbing, technology upgrades)

*Vehicle maintenance & safety checks on our summer daycamp buses (diesel and gas)

SERVANTS: who will go out and share hope with our local community!
